6. **NON-DISCRIMINATION IN EMPLOYMENT:**

The Contractor agrees not to discriminate in any manner against an employee or applicant for employment because of race, color, religion, creed, age, sex, marital status, national origin, ancestry, or physical or mental handicap unrelated in nature and extent so as reasonably to preclude the performance of such employment and to post and to cause subcontractors to post conspicuous places available to employees and applicants for employment, notices setting forth the substance of this clause.

7. **FINANCIAL DISCLOSURE:**

The Contractor shall comply with State Finance and Procurement Article §13-221, Annotated Code of Maryland, which requires that every business that enters into contracts, leases or other agreements with the State and receives in the aggregate \$200,000 or more, during a calendar year shall, within 30 days of the time when the \$100,000 reached, file with the Secretary of State certain specified information to include disclosure of beneficial ownership of the business.

**8. POLITICAL CONTRIBUTION DISCLOSURE:**

The Contractor shall comply with Sections 14-101 through 14-108 of the Election Law Article of the Annotated Code of Maryland, which requires that every person that enters into, during any 12 month period, one or more contracts, or other agreements with the State, a county, or an incorporated municipality, or their agencies, involving a cumulative consideration of at least \$200,000 or more, shall file with the State Administrative Board of Election Laws a statement disclosing contributions to a candidate, or a series of such contributions, in a cumulative amount in excess of \$500 made during the reporting period to a candidate for elective office in any primary or general election. **14. TERMINATION FOR CONVENIENCE:**

The performance of work under this contract may be terminated by the State in accordance with this clause in whole, or from time to time in part, whenever the State shall determine that such termination is in the best interest of the State. The State will pay all reasonable costs associated with this contract that the Contractor has incurred up to the date of termination and all reasonable costs associated with termination of the Contract. However, the Contractor

shall not be reimbursed for any anticipatory profits that have not been earned up to the date of termination. Termination hereunder, including the determination of the rights and obligations of the parties, shall be governed by the provisions of COMAR 21.07.01.12A(2).

**15. TERMINATION FOR DEFAULT:**

If the Contractor fails to fulfill its obligation under this contract properly and on time, or otherwise violates any provision of the contract, the State may terminate the contract by written notice to the Contractor. The notice shall specify the acts or omissions relied upon as cause for termination. All finished or unfinished work provided by the Contractor shall, at the State's option, become the State's property. The State shall pay the Contractor fair and equitable compensation for satisfactory performance prior to receipt of notice of termination, less the amount of damages caused by Contractor's breach. If the damages are more than the compensation payable to the Contractor, the Contractor will remain liable after termination and the State can affirmatively collect damages. Termination hereunder, including the determination of the rights and obligations of the parties, shall be governed by the provisions of COMAR 21.07.01.11B.

**21. PAYMENT OF STATE OBLIGATIONS:**

Payments to the Contractor pursuant to this Contract shall be made no later than 30 days after the State's receipt of a proper invoice from the Contractor. Electronic Funds Transfer: This provision on Electronic Funds Transfer applies to contracts of over \$200,000 for which payments are made through the State Comptroller. Electronic funds transfer will be used by the State to pay Contractor

for this Contract and any other State payments due Contractor unless the State Comptroller's Office grants Contractor an exemption. By submitting a response to this solicitation, the Bidder or Offeror agrees to accept payments by electronic funds transfer unless the State Comptroller's Office grants an exemption. After award of a contract, the selected Bidder or offeror shall register with the Comptroller of Maryland using the forms required by the Comptroller. For further information go to:

<http://compnet.comp.state.md.us/gad/vendorinfo/eft/default.asp>

**22. PRE-EXISTING REGULATIONS:**

The regulations set forth in Title 21 of the Code of Maryland Regulations (COMAR Title 21) in effect on the date of execution of this Contract are applicable to this Contract.

**23. INDEMNIFICATION:**

The State shall not assume any obligation to indemnify, hold harmless, or pay attorneys' fees that may arise from or in any way be associated with the performance or operations of this agreement.

**24. CONFLICTING TERMS:**

Any proposal for terms in addition to or different from those set forth in this Agreement or the Microsoft Enterprise Agreement as amended and any attempt by the Contractor to vary any of the terms of this offer by Contractor's acceptance shall not operate as a rejection of this offer, unless such variance is in the terms of the description, quantity, price or delivery schedule, but shall be deemed a material alteration thereof. If this purchase order is an acceptance of a prior offer by the Contractor, the acceptance is expressly conditioned upon Contractor's assent to any additional terms contained herein. The Contractor understands and agrees that the terms and conditions of this this Agreement and the Microsoft Enterprise Agreement may not be waived.

**25. DRUG AND ALCOHOL FREE WORKPLACE:**

The Contractor warrants that the Contractor shall comply with COMAR 21.11.08 Drug and Alcohol Free Workplace, and that the Contractor shall remain in compliance throughout the term of this purchase order.

**26. CHANGES: WORK ORDERS:**

Changes: The Procurement Officer unilaterally may, at any time, without notice to the sureties, if any, by written order designated or indicated to be an order, make any change in the work within the general scope of the contract, including but not limited to changes:

In the specifications (including drawings and designs);

In the method or manner of performance of the work;

In the State-furnished facilities, equipment, materials, services, or site; or Directing acceleration in performance or delivery.

Any other written order or an oral order, including a direction, instruction, interpretation, or determination from the Procurement Officer that causes or constitutes any such change shall be treated as a change order under this clause provided that the Contractor gives the Procurement Officer written notice stating the date, circumstances, and source of the order and that the Contractor regards the order as a change order.

Except as herein provided, no order, statement, or conduct of the Procurement Officer shall be treated as a change under this clause or entitle the Contractor to an equitable adjustment hereunder.

Subject to paragraph (6) of this subsection, if any change under this clause causes an increase or decrease in the Contractor's cost of, or the time required for, the performance of any part of the work under the contract, whether or not changed by an order, an equitable adjustment shall be made and the contract modified in writing accordingly; provided, however, that except for claims based on defective specifications, no claim for any order under (2) above shall be allowed for any costs incurred more than twenty (20) days before the Contractor gives written notice as therein required; and provided further, that in the case of defective specifications for which the State is responsible, the equitable adjustment shall include any increased cost reasonably incurred by the Contractor in attempting to comply with such defective specifications.

If the Contractor intends to assert a claim for an equitable adjustment under this section, he shall do so in accordance with and subject to the disputes procedures of the contract.

Each contract modification or change order that affects contract price shall be subject to the prior written approval of the Procurement Officer and other appropriate authorities and to prior certification of the appropriate fiscal authority of fund availability and the effect of the modification or change order on the contract budget or total cost. If, according to the certification of the fiscal authority, the contract modification or change order will cause an increase in cost that will exceed budgeted and available funds, the modification or change order may not be made unless sufficient additional funds are made available or the scope of the contract is adjusted to permit its completion within the project budget.

No claim by the Contractor for an equitable adjustment hereunder shall be allowed if asserted after final payment is made under this contract.

As used in this section, "work" means any and all commodities, goods, materials, labor, services, manner or time of delivery or performance, or other elements of performance required to be furnished or supplied by the Contractor under this contract.

**Miscellaneous:** In the event of a dispute between the Department and the Contractor as to whether any work is included in the scope of the contract such that the Contractor would be obligated to provide that work at no additional cost to the State, the Procurement Officer may order the Contractor under this section to perform the work (a "Work Order"). If the Contractor considers such an order to be a change in the scope of the contract entitling the Contractor to additional compensation, a time extension, or other relief, the Contractor must provide the notice required by this section and initiate a claim therefore in accordance with contract requirements. An order of the Procurement Officer, by virtue of being called or referred to as a "change order," does not necessarily constitute a change in the scope of the contract or in the work required under the contract. The Contractor shall not be entitled to additional compensation, a time extension, or other relief for complying with an order of the Procurement Officer if the contract otherwise requires the Contractor to perform as stated in the order.

Upon receipt of a signed written order of the Procurement Officer under this section, the Contractor shall comply with the order promptly, within the requirements of the required completion or delivery time, whether or not the Contractor signs or accepts the change order. Failure to comply with the order in a timely manner shall constitute a breach of the contract and grounds for termination for default or any other remedy available to the State.

The State may issue a unilateral order on the State's terms (including a promise to pay the Contractor a "not to exceed" ("NTE") amount) which the Contractor may then dispute in accordance with the disputes procedures of the contract. Pending resolution of such a dispute, Contractor must proceed diligently with performance of the contract as ordered by the Procurement Officer.

The terms "not to exceed" and "NTE" when used in a change order mean that the amount of the change order (whether an increase or a decrease in the contract amount) will be a reasonable amount not to exceed the amount stated.

**27. RETENTION OF RECORDS:**

The Contractor shall retain and maintain all records and documents relating to this contract for three years after final payment by the State hereunder or any applicable statute of limitations, whichever is longer, and shall make them available for inspection and audit by authorized representatives of the State, including the procurement officer or designee, at all reasonable times.

**28. COMPLIANCE WITH LAWS:**

The Contractor hereby represents and warrants that:

- A. It is qualified to do business in the State of Maryland and that it will take such action as, from time to time hereafter, may be necessary to remain so qualified;
- B. It is not in arrears with respect to the payment of any monies due and owing the State of Maryland, or any department or unit thereof, including but not limited to the payment of taxes and employee benefits, and that it shall not become so in arrears during the term of this Contract;
- C. It shall comply with all federal, State, and local laws, regulations, and ordinances applicable to its activities and obligations under this Contract; and
- D. It shall obtain, at its expense, all licenses, permits, insurance, and governmental approvals, if any, necessary to the performance of its obligations under this Contract.

**29. COST AND PRICE CERTIFICATION:**

The Contractor by submitting cost or price information certifies that, to the best of its knowledge, the information submitted is accurate, complete, and current as of a mutually determined specified date prior to the conclusion of any price discussions or negotiations for:

- A. A negotiated contract, if the total contract price is expected to exceed \$100,000, or smaller amount set by the procurement officer; or
- B. A change order or contract modification, expected to exceed \$100,000, or smaller amount set by the procurement officer.

The price under this Contract and any change order or modification hereunder, including profit or fee, shall be adjusted to exclude any significant price increases occurring because the Contractor furnished cost or price information which, as of the date agreed upon between the parties, was inaccurate, incomplete, or not current.

**30. BID / PROPOSAL AFFIDAVIT:**

Each Bidder or offeror shall execute and attach to the bid or proposal the affidavit included with this solicitation.

**31. CONTRACT AFFIDAVIT:**

The successful Bidder or offeror shall execute and deliver to the Procurement Officer prior to the award of the contract the Contract Affidavit included with this solicitation. (The Affidavit also can be found at COMAR 21.07.01.25).

**32. PUBLIC INFORMATION ACT NOTICE:**

Offerors should give specific attention to the identification of those portions of their proposals that they deem to be confidential, proprietary information or trade secrets and provide any justification why such materials, upon request, should not be disclosed by the State under the Access to Public Records Act, State Government Article, Title 10, Subtitle 6, Annotated Code of Maryland.

**33. MARYLAND'S GREEN PURCHASING REPORTING REQUIREMENTS:**

The State of Maryland reserves the right to request from the Contractor quarterly sales data over the life of this contract. This information must include details about the recycled content, third-party sustainability certifications,

and other environmental attributes of products and services sold on this price agreement per the contract specifications.

This information will enable Maryland State agencies to comply with Article §14–405 of the Annotated Code of Maryland and COMAR 21.13.01.14, effective October 1, 2014, which requires Maryland state agencies to report to the Department of General Services on their procurement of environmentally preferable products and services.

To facilitate consistent reporting on targeted contracts, the Contractor will be provided with a VENDOR GREEN SALES REPORT template from the Green Purchasing Committee (GPC), the Office of State Procurement (OSP) or the Department of General Services (DGS).

**34. MINORITY BUSINESS ENTERPRISE NOTICE:**

Minority Business Enterprises are encouraged to respond to this solicitation.

**35. ARREARAGES:**

By submitting a response to this solicitation, a vendor shall be deemed to represent that it is not in arrears in the payment of any obligation due and owing the State of Maryland, including the payment of taxes and employee benefits, and that it shall not become so in arrears during the term of the contract if selected for contract award.

**36. MULTIPLE OR ALTERNATE BIDS:**

Unless multiple or alternate bids are requested in the solicitation, multiple or alternate bids may not be accepted. If the solicitation does not request multiple or alternate bids, if received they will be treated in accordance with COMAR 21.05.02.21.

**37. RETURNED GOODS:**

Contractor(s) shall be entitled to recover reasonable compensation for any and all goods shipped in accordance with the Affiliate's Enrollment Product form as specified in the Enterprise Agreement, meeting all Enterprise Agreement requirements, and returned by the agency for reasons other than the Contractor's failure to meet contract requirements. Compensation shall be limited to actual unreimbursed costs incurred by the Contractor including, but not limited to, restocking charges, shipping charges, plus reasonable profit. Returns will be processed according to Contractor's Return Policy, found at [www.shi.com/returnpolicy](http://www.shi.com/returnpolicy). Contractor must provide written proof of claimed compensation. A return of goods covered by this section shall be deemed a partial termination for convenience as to the returned goods, and other contract provisions and principles applicable to a partial termination for convenience shall apply. Software products resold under this Agreement, as well as related maintenance or support services, will be governed by either the license/support agreement between the State and the original equipment manufacturer or, if no such agreement exists, the original equipment manufacturer's standard license/support agreement, which Contractor shall forward to the State at the time of delivery of products, when provided to Contractor by the original equipment manufacturer. Contractor is not a party to any such terms between the State and the original equipment manufacturer, and the State agrees to look solely to the original equipment manufacturer for satisfaction of any and all license and support claims or obligations related to that original equipment manufacturer's product.

**38. PURCHASES BY OTHER ENTITIES – INDEFINITE QUANTITY CONTRACTS:**

This provision applies to indefinite quantity contracts.

Pursuant to Article 41, Section 18-201 of the Annotated Code of Maryland, except as provided in (B) the following entities may purchase materials, supplies, and equipment under this Contract:

#### A. AUTHORITY

I hereby affirm that I, [REDACTED] (name of affiant) am the Sr. Lead Contracts Specialist (title) and duly authorized representative of SHI International Corp. (name of business entity) and that I possess the legal authority to make this affidavit on behalf of the business for which I am acting.

#### B. CERTIFICATION REGARDING COMMERCIAL NONDISCRIMINATION

The undersigned Bidder/Offeror hereby certifies and agrees that the following information is correct: In preparing its Bid/proposal on this project, the Bidder/Offeror has considered all Bid/proposals submitted from qualified, potential subcontractors and suppliers, and has not engaged in "discrimination" as defined in § 19-103 of the State Finance and Procurement Article of the Annotated Code of Maryland. "Discrimination" means any disadvantage, difference, distinction, or preference in the solicitation, selection, hiring, or commercial treatment of a vendor, subcontractor, or commercial customer on the basis of race, color, religion, ancestry, or national origin, sex, age, marital status, sexual orientation, sexual identity, genetic information or an individual's refusal to submit to a genetic test or make available the results of a genetic test, disability, or any otherwise unlawful use of characteristics regarding the vendor's, supplier's, or commercial customer's employees or owners. - (2) Fail to notify the certified minority business enterprise before execution of the contract of its inclusion in the Bid/proposal;
- (3) Fail to use the certified minority business enterprise in the performance of the contract; or
- (4) Pay the certified minority business enterprise solely for the use of its name in the Bid/proposal.

Without limiting any other provision of the solicitation on this project, it is understood that if the certification is false, such false certification constitutes grounds for the State to reject the Bid/proposal submitted by the Bidder/Offeror on this project, and terminate any contract awarded based on the Bid/proposal.

**B-2. CERTIFICATION REGARDING VETERAN-OWNED SMALL BUSINESS ENTERPRISES.**

- (4) Willfully and knowingly aid, assist in, procure, counsel, or advise the preparation or presentation of a declaration, statement, or other document that is fraudulent or false as to any material matter, regardless of whether that falsity or fraud is committed with the knowledge or consent of the person authorized or required to present the declaration, statement, or document;
- (5) Willfully and knowingly fail to file any declaration or notice with the unit that is required by COMAR 21.11.13; or
- (6) Establish, knowingly aid in the establishment of, or exercise control over a business found to have violated a provision of § B-2(1) -(5) of this regulation.
