Section 3 - Scope of Work

Background

The Comptroller of Maryland is seeking a qualified advanced technology application developer who will be responsible for developing new and enhancing existing web applications and client server applications for the Comptroller's Internet and Intranet websites using .NET, C#/VBScript, ASP, XML, XSLT and SQL Server. The developer will be responsible for development following the State's system development life cycle methodology. The selected candidate will work on-site at the Annapolis Data Center at the address noted above.

More information on the responsibility of the Comptroller's office and examples of existing web applications may be found on the agency's website: www.marylandtaxes.com

Job Description/s			
Labor Category/s (From Section 1 Above)	Duties / Responsibilities		
Advanced Technology Application Developer	 Consults with systems users to plan, develop, evaluate and revise applications systems. Collects and analyzes data concerning manual systems to determine the purpose of the system, work methods used, cause and effect of problems and improvements needed. Prepares conceptual designs of proposed new or revised applications systems. Prepares technical applications systems designs and project specifications detailing input, processes, output and controls using narrative reports and systems analysis tools such as system flowcharts,

Section 4 - Required Submissions

NOTE:

- Master Contractors may propose only one candidate for each position requested.
- Master Contractors electing <u>not</u> to propose in response to the RFR must submit a "Master Contractor Feedback Form" via the "Master Contractor Login" on the CATS II web site.
- Master Contractors proposing in response to the RFR <u>must</u> submit the following documents:
 - o Resume for each labor category described in the RFR (Attachment 1)
 - o Price Proposal (Attachment 2 or 2A) This must be a separate file!!
 - o MBE Forms D1 and D2 if applicable (Attachment D in the CATS II RFP)
 - o Conflict of Interest Affidavit (Attachment G in the CATS II RFP)
 - o Living Wage Affidavit (Attachment I in the CATS II RFP)
 - Any documents listed below as required by the hiring agency
- 1. Unofficial copy of candidate's college transcript(s).

Section 5 - Evaluation Criteria -

(Provide a list of evaluation criteria in descending order of importance)

- 1. Resume demonstrates education and experience as defined by labor category 17 and as described in Section 3 above.
- 2. Candidate's qualifications and experience performing the duties specified in Section 3 above.
- 3. Candidate's ability during the in-person interview to communicate his or her qualifications and ability to perform the duties described in Section 3 above.
- 4. Candidate's employment references that validate candidate's qualifications and experience.
- 5. Price proposal.

Basis for Award Recommendation

RFRs will be awarded in accordance with the competitive Sealed Proposals process under COMAR 21.05.03. The agency POC will recommend award to the Master Contractor whose proposal is determined to be the most advantageous to the State, considering price and the evaluation factors set forth in the RFR. The agency POC will initiate and deliver a RFR Agreement to the selected Master Contractor. Master Contractors should be aware that if selected, State law regarding conflict of interest may prevent future participation in procurements related to the RFR Scope of Work, depending upon specific circumstances.
