To CATS II Master Contractors in Functional Area 10:

This Amendment #2 is being issued to amend and clarify certain information contained in the above referenced TORFP. All information contained herein is binding on all Offerors who respond to this TORFP.

Amendment #2:

- A. TORFP Page 3, Key Information Summary Sheet. For "Closing Date and Time", change the date from 01/11/2010 to 01/18/2011. The due date for proposals is extended to January 18, 2011 at 2PM.
- B. TORFP Page 18, Section 3.2.1, #5. After each occurrence of "Master Contractor" insert "and / or subcontractor". That is, subcontractor experience may be included among the required three examples of staffing experience. This also means subcontractor experience may count toward the minimum qualification for five years experience providing staffing resources (Section 2.9).
- C. TORFP Page 9, Section 2.5, #5 in the table. Strike "(23)" and insert "(22)". This corrects the reference number for the Senior Database Management Specialist labor category in the CATS II RFP.
