

STATE OF MARYLAND  
DEPARTMENT OF INFORMATION TECHNOLOGY

To all CATS II Master Contractors under Functional Area 10:

This is to notify you the proposals due date for the Task Order RFP (TORFP) # F50B2400009 entitled *Radio Systems Technical & Regulatory Specialist*, shall be extended until 2pm EST on October 20, 2011. The purpose is to provide time for DoIT to amend the TORFP to add a second position. The second position is for a "Radio System Contract Manager." An amendment document shall be issued early next week containing the new proposal deadline, the new position description, a revised price proposal form, and other edits reflecting the added position. The amended TORFP shall result in one or two awards.

No pre-proposal conference will be held for this solicitation. Proposal submissions, questions, and any other information exchanged during the TORFP process shall go through me, the Procurement Officer, contact information as follows:
