

Maryland Department of Transportation
CCTV CATS II RFR #J01B3400011
Senior Subject Matter Expert
Amendment #1

Correction to Section 3- Scope of Work

The information contained in Section 3, “Minimum Qualifications” below replaces the minimum qualifications in Section 3 of the original solicitation.

1. Required years of State of Maryland Consulting and Technical Services II Contracts (CATS II) has been decreased from five (5) years to three (3) years.
2. The following minimum qualifications have been changed from “required” to “preferred”:
 - At least five years experience, and Knowledge of applicable telecommunication policies and procedures of the State of Maryland
 - At least five years experience with the operations of the MDOT Enterprise Network
 - At least five years experience, of the State of Maryland and MDOT Information Technology Security Policy and Standards
