Subject: CATS II RFR - M00B1400514, M00B1400515 Amendment 1

To All Contractors:

Following are Amendments #1 to the TWO subject CATS II Requests for Resume.

M00B1400514

Amendment #1: Change the Labor Category for the subject RFR from "Sr. Technical Architect" to "Senior Information Technology Architect." All references to Sr. or Senior Technical Architect should be considered "Senior Information Technology Architect."

Section 4: delete "Copy of PMI Certificate, or equivalent evidence of required training or education."

All other content remains unchanged.

M00B1400515

Amendment #1: Change the Labor Category for the subject RFR from "Systems Analyst" to "Senior Systems Analyst." All references to Systems Analyst should be considered "Senior Systems Analyst."

Section 4: delete "Evidence of required training or education." This information should be provided in Attachment 1, RFR Resume Form.

All other content remains unchanged.
