Section 3 – Scope of Work	
Background	
<p>Maryland State Department of Education (MSDE) has assumed a progressive stance in the collection, validation and reporting of education accountability data. The state established its first Educational Data Warehouse (EDW) in 1999 and today strives to achieve the ten essential elements and fundamentals for PreK-12 longitudinal data systems established by the Data Quality Campaign, see www.dataqualitycampaign.org for additional information on the ten essential requirements.</p> <p>With the increase in reporting requirements for Federal, and State longitudinal student data, MSDE is increasing the kinds of student data collected and analyzed. To help MSDE achieve this aim, The Division of Accountability and Assessment is modernizing and enhancing its; (1) Educational Data Warehouse (EDW) and (2) associated data reporting systems. As a result of a multitude of MLDS projects within the DAA MLDS grant, there is an increased need for specialized project plan management, scheduling management, contract deliverables management, SLCD and associated system documentation indexing, storage, content management, conversion, and tracking.</p> <p>The objective of this Request for Resume (RFR) is to acquire the short-term services of One (1) Program Administration Specialist to work with Division of Accountability and Assessment's MLDS project team to develop, administer, and maintain project plans, SLDC, and administrative documentation for the MLDS grant projects.</p>
