MARYLAND STATE DEPARTMENT OF EDUCATION
Project Manager (Senior)
TORFP #R00B4400130

1. Are these new positions or are there incumbent(s) since MSDE is entering its 4th year of the RTTT project?
   Incumbents

2. If there is an incumbent, please identify who is the vendor and if they are eligible to bid now.
   The incumbent is Trilogy and they are eligible to bid.

3. If there is an incumbent, will any time be allowed for transition?
   Yes

4. If a candidate has the experience, a PMP certificate is not required, correct?
   PMP is not required, but preferred.

5. Are all interviews required to be in person, or are telephonic and Skype interviews possible?
   In person.

6. Are these PMs responsible for the final stage of all 54 different initiatives in Race to the Top?
   The PMs will be responsible for all of Race to the Top initiatives, even though many are complete already.

7. Since this is the fourth year of Race to the Top and the final stage, might one or both of the project managers be extended after this year on RTT?
   The project is expected to fully enter an Operations and Maintenance phase. One or both PMs may be needed to oversee this stage of the project, but this is unsure.

8. Would a vendor be in conflict in bidding for this if he is currently doing in-house projects for the Division of Instruction?
   No

9. Is an incumbent to this TORFP and how many years are they in this position?
   There is an incumbent and they have been on the project since the inception.
