## **Cancellation Notification**

### **Enterprise Budgeting System Replacement Request for Proposals: DoIT-FY-16-08**

Ladies/Gentlemen:

The Department of Information Technology (DoIT) has cancelled the Enterprise Budgeting System Replacement (EBS) Request for Proposals (RFP) titled RFP: DoIT-FY16-08. DoIT intends to significantly revise the RFP in a manner that would be too substantial through the amendment process provided by the Code of Maryland Regulations. However, DoIT will provide the Offerors an opportunity to compete on any re-solicitation or any future procurements of a similar nature.

We would like to thank everyone for their time and extraordinary effort on the cancelled procurement and we look forward to working with you in the future.
