Ladies/Gentlemen:

The Department of Information Technology (DoIT) has identified proposed amendments to this solicitation that would be of such magnitude and substance that a new solicitation is desirable. Therefore, DoIT has determined that it will reject all proposals submitted under this procurement pursuant to COMAR 21.06.02.02C.

DoIT will provide offerors an opportunity to compete on any re-solicitation or any future procurements of a similar nature. We would like to thank everyone for their input on the cancelled RFP and we look forward to working with you in the future.
