FUNCTIONAL AREA GIS Software
GeoLynx DMS GIS Data Manager (perpetual licensing)
GeoLynx DMS MSAG Manager (perpetual licensing)
GeoLynx DMS Mobile Data Manager (perpetual licensing)
GeoLynx Server Base Licensing (active/passive; (perpetual licensing))
GeoLynx Server Base Licensing (additional active/passive; (perpetual licensing))
GeoLynx Server Web DMS Per User Licensing (per user; 1-5 users; requires GeoLynx Server Base System; (perpetual licensing))
GeoLynx Server Web DMS Licensing (per user; 6-10 users; requires GeoLynx Server Base System; (perpetual licensing))
GeoLynx Server Web DMS Licensing (per user; 11-15 users; requires GeoLynx Server Base System; (perpetual licensing))
GeoLynx Server Web DMS Licensing (per user; 16-20 users; requires GeoLynx Server Base System; (perpetual licensing))
GeoLynx Server Web DMS Licensing (per user; 21-25 users; requires GeoLynx Server Base System; (perpetual licensing))
GeoLynx Server Web DMS Licensing (per user; 26-30 users; requires GeoLynx Server Base System; (perpetual licensing))
GeoLynx Server Web DMS Licensing (per user; 31-35 users; requires GeoLynx Server Base System; (perpetual licensing))
GeoLynx Server Web DMS Licensing (per user; 36-40 users; requires GeoLynx Server Base System; (perpetual licensing))
GeoLynx Server Web DMS Licensing (per user; 41-45 users; requires GeoLynx Server Base System; on-prem; (perpetual licensing))
GeoLynx Server Web DMS Licensing (per user; 46-50 users; requires GeoLynx Server Base System; (perpetual licensing))
GeoLynx Server GIS Change Request Licensing (per user; 1-5 users; requires GeoLynx Server Base System; on-prem; perpetual licensing))
GeoLynx Server GIS Change Request Licensing (per user; 6-10 users; requires GeoLynx Server Base System; (perpetual licensing))
GeoLynx Server GIS Change Request Licensing (per user; 11-15 users; requires GeoLynx Server Base System (perpetual licensing))
GeoLynx Server GIS Change Request Licensing (per user; 16-20 users; requires GeoLynx Server Base System (perpetual licensing))
GeoLynx Server GIS Change Request Licensing (per user; 21-25 users; requires GeoLynx Server Base System; (perpetual licensing))
GeoLynx Server GIS Change Request Licensing (per user; 26-30 users; requires GeoLynx Server Base System; on-prem; perpetual licensing))
GeoLynx Server GIS Change Request Licensing (per user; 31-35 users; requires GeoLynx Server Base System; (perpetual licensing))
GeoLynx Server GIS Change Request Licensing (per user; 36-40 users; requires GeoLynx Server Base System; (perpetual licensing))
GeoLynx Server GIS Change Request Licensing (per user; 41-45 users; requires GeoLynx Server Base System; (perpetual licensing))
GeoLynx Server GIS Change Request Licensing (per user; 46-50 users; requires GeoLynx Server Base System; (perpetual licensing))

FUNCTIONAL AREA I GIS Software

GeoLynx Server GIS Portal (up to 20 users; requires GeoLynx Server Base System; (perpetual licensing))
GeoLynx Server GIS Portal (per user after 20; requires GeoLynx Server Base System; (perpetual licensing))
GeoLynx Server Dispatch Mapping System (per license price for up to 4 licenses; (perpetual licensing))
GeoLynx Server Dispatch Mapping System (per license price for up to 5 licenses; (perpetual licensing))
GeoLynx Server Dispatch Mapping System (per license price for up to 6 licenses; (perpetual licensing))
GeoLynx Server Dispatch Mapping System (per license price for up to 7 licenses; (perpetual licensing))
GeoLynx Server Dispatch Mapping System (per license price for up to 8 licenses; (perpetual licensing))
GeoLynx Server Dispatch Mapping System (per license price for up to 9 licenses; (perpetual licensing))
GeoLynx Server Dispatch Mapping System (per license price for up to 10 licenses; (perpetual licensing))
GeoLynx Server Dispatch Mapping System (per license price for up to 11 licenses; (perpetual licensing))
GeoLynx Server Dispatch Mapping System (per license price for up to 12 licenses; (perpetual licensing))
GeoLynx Server Dispatch Mapping System (per license price for up to 13 licenses; (perpetual licensing))
GeoLynx Server Dispatch Mapping System (per license price for up to 14 licenses; (perpetual licensing))
GeoLynx Server Dispatch Mapping System (per license price for up to 15 licenses; (perpetual licensing))
GeoLynx Server Dispatch Mapping System (per license price for up to 16 licenses; (perpetual licensing))
GeoLynx Server Dispatch Mapping System (per license price for up to 17 licenses; (perpetual licensing))
GeoLynx Server Dispatch Mapping System (per license price for up to 18 licenses; (perpetual licensing))
GeoLynx Server Dispatch Mapping System (per license price for up to 19 licenses; (perpetual licensing))
GeoLynx Server Dispatch Mapping System (per license price for up to 20 licenses; (perpetual licensing))
GeoLynx Server Dispatch Mapping System (per license price for up to 21 licenses; (perpetual licensing))
GeoLynx Server Dispatch Mapping System (per license price for up to 22 licenses; (perpetual licensing))
GeoLynx Server Dispatch Mapping System (per license price for up to 23 licenses; (perpetual licensing))
GeoLynx Server Dispatch Mapping System (per license price for up to 24 licenses; (perpetual licensing))
GeoLynx Server Dispatch Mapping System (per license price for up to 25 licenses; (perpetual licensing))
GeoLynx Server Dispatch Mapping System (per license price for up to 26 licenses; (perpetual licensing))
GeoLynx Server Dispatch Mapping System (per license price for up to 27 licenses; (perpetual licensing))
GeoLynx Server Dispatch Mapping System (per license price for up to 28 licenses; (perpetual licensing))
GeoLynx Server Dispatch Mapping System (per license price for up to 29 licenses; (perpetual licensing))

FUNCTIONAL AREA I GIS Software

GeoLynx Server Dispatch Mapping System (per license price for up to 30 licenses; (perpetual licensing))
GeoLynx Server Dispatch Mapping System (per license price for up to 31 licenses;(perpetual licensing))
GeoLynx Server Dispatch Mapping System (per license price for up to 32 licenses; (perpetual licensing))
GeoLynx Server Dispatch Mapping System (per license price for up to 33 licenses; (perpetual licensing))
GeoLynx Server Dispatch Mapping System (per license price for up to 34 licenses; (perpetual licensing))
GeoLynx Server Dispatch Mapping System (per license price for up to 35 licenses; (perpetual licensing))
GeoLynx Server Dispatch Mapping System (per license price for up to 36 licenses; (perpetual licensing))
GeoLynx Server Dispatch Mapping System (per license price for up to 37 licenses; (perpetual licensing))
GeoLynx Server Dispatch Mapping System (per license price for up to 38 licenses; (perpetual licensing))
GeoLynx Server Dispatch Mapping System (per license price for up to 39 licenses; (perpetual licensing))
GeoLynx Server Dispatch Mapping System (per license price for up to 40 licenses;(perpetual licensing))
GeoLynx Server Dispatch Mapping System (per license price for up to 41 licenses; (perpetual licensing))
GeoLynx Server Dispatch Mapping System (per license price for up to 42 licenses; (perpetual licensing))
GeoLynx Server Dispatch Mapping System (per license price for up to 43 licenses; (perpetual licensing))
GeoLynx Server Dispatch Mapping System (per license price for up to 44 licenses; (perpetual licensing))
GeoLynx Server Dispatch Mapping System (per license price for up to 45 licenses; (perpetual licensing))
GeoLynx Server Dispatch Mapping System (per license price for up to 46 licenses; (perpetual licensing))
GeoLynx Server Dispatch Mapping System (per license price for up to 47 licenses; (perpetual licensing))
GeoLynx Server Dispatch Mapping System (per license price for up to 48 licenses; (perpetual licensing))
GeoLynx Server Dispatch Mapping System (per license price for up to 49 licenses; (perpetual licensing))
GeoLynx Server Dispatch Mapping System (per license price for up to 50 licenses; (perpetual licensing))
GeoLynx Server Dispatch Mapping System (per license price for up to 5+ licenses; (perpetual licensing))
GeoLynx Server IPAWS (up to 20 users; requires GeoLynx Server Base System; (perpetual licensing))
GeoLynx Server IPAWS (per user after 20; requires GeoLynx Server Base System; (perpetual licensing))
GeoLynx Server Stats (up to 20 users; requires GeoLynx Server Base System; (perpetual licensing))
GeoLynx Server Stats (per user after 20; requires GeoLynx Server Base System; (perpetual licensing))
GeoLynx Server AVL System Licensing (1-10 vehicles); perpetual licensing
GeoLynx Server AVL System Licensing 1-20 vehicles; perpetual licensing

FUNCTIONAL AREA I GIS Software

GeoLynx Server AVL System Licensing 21-30 vehicles; perpetual licensing
GeoLynx Server AVL System Licensing 31-40 vehicles; perpetual licensing
GeoLynx Server AVL System Licensing 41-50 vehicles; perpetual licensing
GeoLynx Server AVL System Licensing 51-60 vehicles; perpetual licensing
GeoLynx Server AVL System Licensing 61-70 vehicles; perpetual licensing
GeoLynx Server AVL System Licensing 71-80 vehicles; perpetual licensing
GeoLynx Server AVL System Licensing 81-90 vehicles; perpetual licensing
GeoLynx Server AVL System Licensing 91-100 vehicles; perpetual licensing
GeoLynx Server AVL System Licensing 101-150 vehicles; perpetual licensing
GeoLynx Server AVL System Licensing 151-200 vehicles; perpetual licensing
GeoLynx Server AVL System Licensing 201-250 vehicles; perpetual licensing
GeoLynx Server AVL System Licensing 251-300 vehicles; perpetual licensing
GeoLynx Server AVL System Licensing 301-350 vehicles; perpetual licensing
GeoLynx Server AVL System Licensing 351-400 vehicles; perpetual licensing
GeoLynx Server AVL System Licensing 401-450 vehicles; perpetual licensing
GeoLynx Server AVL System Licensing 451-500 vehicles; perpetual licensing
GeoLynx Server AVL System Licensing 501-550 vehicles; perpetual licensing
GeoLynx Server AVL System Licensing 551-600 vehicles; perpetual licensing
GeoLynx Server AVL System Licensing 601-650 vehicles; perpetual licensing
GeoLynx Server AVL System Licensing 651-700 vehicles; perpetual licensing
GeoLynx Server AVL System Licensing 701-750 vehicles; perpetual licensing
GeoLynx Server AVL System Licensing 751-800 vehicles; perpetual licensing
GeoLynx Server AVL System Licensing 801-850 vehicles; perpetual licensing
GeoLynx Server AVL System Licensing 851-900 vehicles; perpetual licensing
GeoLynx Server AVL System Licensing 901-950 vehicles; perpetual licensing
GeoLynx Server AVL System Licensing 951-1000 vehicles; perpetual licensing
LTS Server Per Unit (1-10 vehicles) (no charge if implementing GeoLynx Server AVL Base System + Per Unit pricing); perpetual licensing
LTS Server Per Unit (11-20 vehicles) (no charge if implementing GeoLynx Server AVL Base System + Per Unit pricing); perpetual licensing

FUNCTIONAL AREA I GIS Software

LTS Server Per Unit (21-30 vehicles) (no charge if implementing GeoLynx Server AVL Base System + Per Unit pricing); perpetual licensing
LTS Server Per Unit (31-40 vehicles) (no charge if implementing GeoLynx Server AVL Base System + Per Unit pricing); perpetual licensing
LTS Server Per Unit (41-50 vehicles) (no charge if implementing GeoLynx Server AVL Base System + Per Unit pricing); perpetual licensing
LTS Server Per Unit (51-60 vehicles) (no charge if implementing GeoLynx Server AVL Base System + Per Unit pricing); perpetual licensing
LTS Server Per Unit (61-70 vehicles) (no charge if implementing GeoLynx Server AVL Base System + Per Unit pricing); perpetual licensing
LTS Server Per Unit (71-80 vehicles) (no charge if implementing GeoLynx Server AVL Base System + Per Unit pricing); perpetual licensing
LTS Server Per Unit (81-90 vehicles) (no charge if implementing GeoLynx Server AVL Base System + Per Unit pricing); perpetual licensing
LTS Server Per Unit (91-100 vehicles) (no charge if implementing GeoLynx Server AVL Base System + Per Unit pricing); perpetual licensing
LTS Server Per Unit (101-150 vehicles) (no charge if implementing GeoLynx Server AVL Base System + Per Unit pricing); perpetual licensing
LTS Server Per Unit (151-200 vehicles) (no charge if implementing GeoLynx Server AVL Base System + Per Unit pricing); perpetual licensing
LTS Server Per Unit (201-250 vehicles) (no charge if implementing GeoLynx Server AVL Base System + Per Unit pricing); perpetual licensing
LTS Server Per Unit (251-300 vehicles) (no charge if implementing GeoLynx Server AVL Base System + Per Unit pricing); perpetual licensing
LTS Server Per Unit (301-350 vehicles) (no charge if implementing GeoLynx Server AVL Base System + Per Unit pricing); perpetual licensing
LTS Server Per Unit (351-400 vehicles) (no charge if implementing GeoLynx Server AVL Base System + Per Unit pricing); perpetual licensing
LTS Server Per Unit (401-450 vehicles) (no charge if implementing GeoLynx Server AVL Base System + Per Unit pricing); perpetual licensing
LTS Server Per Unit (451-500 vehicles) (no charge if implementing GeoLynx Server AVL Base System + Per Unit pricing); perpetual licensing
LTS Server Per Unit (501-550 vehicles) (no charge if implementing GeoLynx Server AVL Base System + Per Unit pricing); perpetual licensing
LTS Server Per Unit (551-600 vehicles) (no charge if implementing GeoLynx Server AVL Base System + Per Unit pricing); perpetual licensing
LTS Server Per Unit (601-650 vehicles) (no charge if implementing GeoLynx Server AVL Base System + Per Unit pricing); perpetual licensing
LTS Server Per Unit (651-700 vehicles) (no charge if implementing GeoLynx Server AVL Base System + Per Unit pricing); perpetual licensing
LTS Server Per Unit (701-750 vehicles) (no charge if implementing GeoLynx Server AVL Base System + Per Unit pricing); perpetual licensing
LTS Server Per Unit (751-800 vehicles) (no charge if implementing GeoLynx Server AVL Base System + Per Unit pricing); perpetual licensing
LTS Server Per Unit (801-850 vehicles) (no charge if implementing GeoLynx Server AVL Base System + Per Unit pricing); perpetual licensing
LTS Server Per Unit (851-900 vehicles) (no charge if implementing GeoLynx Server AVL Base System + Per Unit pricing); perpetual licensing
LTS Server Per Unit (901-950 vehicles) (no charge if implementing GeoLynx Server AVL Base System + Per Unit pricing); perpetual licensing
LTS Server Per Unit (951-1000 vehicles) (no charge if implementing GeoLynx Server AVL Base System + Per Unit pricing); perpetual licensing
Standard CAD Interface; perpetual license
GeoLynx Desktop (1-5 licenses; per unit price); perpetual licensing

FUNCTIONAL AREA I GIS Software

GeoLynx Desktop (6-10 licenses; per unit price); perpetual licensing

GeoLynx Desktop (11-29 licenses; per unit price); perpetual licensing

GeoLynx Desktop (30-39 licenses; per unit price); perpetual licensing

GeoLynx Desktop (40-49 licenses; per unit price); perpetual licensing

GeoLynx Desktop (50+ licenses; per unit price); perpetual licensing

GeoLynx Desktop Admin; perpetual licensing

GeoLynx Synx Server; perpetual licensing

GeoLynx Sync Client; perpetual licensing

GeoLynx Sync Advanced Server Add-on; perpetual licensing

GeoLynx Sync Advanced Client Add-on; perpetual licensing

GeoLynx AVL (RF); perpetual licensing

GeoLynx AVL (IP) ; perpetual licensing

Standard IP AVL Client; perpetual licensing

LTS Client; perpetual licensing

FUNCTIONAL AREA II GIS Software

Geolynx Mobile MDC Edition (per unit up to 15 licenses); perpetual licensing
Geolynx Mobile MDC Edition (per unit 16-30 licenses); perpetual licensing
Geolynx Mobile MDC Edition (per unit 31-50 licenses); perpetual licensing
Geolynx Mobile MDC Edition (per unit 51-100 licenses); perpetual licensing
Geolynx Mobile MDC Edition (per unit 101-150 licenses); perpetual licensing
Geolynx Mobile MDC Edition (per unit 151-200 licenses); perpetual licensing
Geolynx Mobile MDC Edition (per unit 201-250 licenses); perpetual licensing
Geolynx Mobile MDC Edition (per unit 251-300 licenses); perpetual licensing
Geolynx Mobile MDC Edition (per unit 301-350 licenses); perpetual licensing
Geolynx Mobile MDC Edition (per unit 351-400 licenses); perpetual licensing
Geolynx Mobile MDC Edition (per unit 400+ licenses); perpetual licensing
Geolynx Mobile Server Edition (per unit up to 15 licenses); perpetual licensing
Geolynx Mobile Server Edition (per unit 16-30 licenses); perpetual licensing
Geolynx Mobile Server Edition (per unit 31-50 licenses); perpetual licensing
Geolynx Mobile Server Edition (per unit 51-100 licenses); perpetual licensing
Geolynx Mobile Server Edition (per unit 101-150 licenses); perpetual licensing
Geolynx Mobile Server Edition (per unit 151+ licenses); perpetual licensing

FUNCTIONAL AREA III GIS Software

GeoLynx DMS GIS Data Manager Annual Software Support and Maintenance
GeoLynx DMS MSAG Manager Annual Software Support and Maintenance
GeoLynx DMS Mobile Data Manager Annual Software Support and Maintenance
GeoLynx Server Base Licensing (active/passive; (perpetual licensing)) Annual Software Support and Maintenance
GeoLynx Server Base Licensing (additional active/passive; (perpetual licensing)) Annual Software Support and Maintenance
GeoLynx Server Web DMS Per User Licensing (per user; 1-5 users; requires GeoLynx Server Base System; (perpetual licensing)) Annual Software Support and Maintenance
GeoLynx Server Web DMS Licensing (per user; 5-10 users; requires GeoLynx Server Base System; (perpetual licensing)) Annual Software Support and Maintenance
GeoLynx Server Web DMS Licensing (per user; 11-15 users; requires GeoLynx Server Base System; (perpetual licensing)) Annual Software Support and Maintenance
GeoLynx Server Web DMS Licensing (per user; 16-20 users; requires GeoLynx Server Base System; (perpetual licensing)) Annual Software Support and Maintenance
GeoLynx Server Web DMS Licensing (per user; 21-25 users; requires GeoLynx Server Base System; (perpetual licensing)) Annual Software Support and Maintenance
GeoLynx Server Web DMS Licensing (per user; 26-30 users; requires GeoLynx Server Base System; (perpetual licensing)) Annual Software Support and Maintenance
GeoLynx Server Web DMS Licensing (per user; 31-35 users; requires GeoLynx Server Base System; (perpetual licensing)) Annual Software Support and Maintenance
GeoLynx Server Web DMS Licensing (per user; 36-40 users; requires GeoLynx Server Base System; (perpetual licensing)) Annual Software Support and Maintenance
GeoLynx Server Web DMS Licensing (per user; 41-45 users; requires GeoLynx Server Base System; on-prem) Annual Software Support and Maintenance
GeoLynx Server Web DMS Licensing (per user; 46-50 users; requires GeoLynx Server Base System; (perpetual licensing)) Annual Software Support and Maintenance
GeoLynx Server GIS Change Request Licensing (per user; 1-5 users; requires GeoLynx Server Base System; on-prem) Annual Software Support and Maintenance
GeoLynx Server GIS Change Request Licensing (per user; 5-10 users; requires GeoLynx Server Base System; (perpetual licensing)) Annual Software Support and Maintenance
GeoLynx Server GIS Change Request Licensing (per user; 11-15 users; requires GeoLynx Server Base System(perpetual licensing)) Annual Software Support and Maintenance
GeoLynx Server GIS Change Request Licensing (per user; 16-20 users; requires GeoLynx Server Base System(perpetual licensing)) Annual Software Support and Maintenance
GeoLynx Server GIS Change Request Licensing (per user; 21-25 users; requires GeoLynx Server Base System; (perpetual licensing)) Annual Software Support and Maintenance
GeoLynx Server GIS Change Request Licensing (per user; 26-30 users; requires GeoLynx Server Base System; on-prem) Annual Software Support and Maintenance
GeoLynx Server GIS Change Request Licensing (per user; 31-35 users; requires GeoLynx Server Base System; (perpetual licensing)) Annual Software Support and Maintenance
GeoLynx Server GIS Change Request Licensing (per user; 36-40 users; requires GeoLynx Server Base System; (perpetual licensing)) Annual Software Support and Maintenance
GeoLynx Server GIS Change Request Licensing (per user; 41-45 users; requires GeoLynx Server Base System; (perpetual licensing)) Annual Software Support and Maintenance
GeoLynx Server GIS Change Request Licensing (per user; 46-50 users; requires GeoLynx Server Base System; (perpetual licensing)) Annual Software Support and Maintenance
GeoLynx Server GIS Portal (up to 20 users; requires GeoLynx Server Base System; (perpetual licensing)) Annual Software Support and Maintenance

FUNCTIONAL AREA III GIS Software

GeoLynx Server Dispatch Mapping System (per license price for up to 32 licenses; (perpetual licensing)) Annual Software Support and Maintenance
GeoLynx Server Dispatch Mapping System (per license price for up to 33 licenses; (perpetual licensing)) Annual Software Support and Maintenance
GeoLynx Server Dispatch Mapping System (per license price for up to 34 licenses; (perpetual licensing)) Annual Software Support and Maintenance
GeoLynx Server Dispatch Mapping System (per license price for up to 35 licenses; (perpetual licensing)) Annual Software Support and Maintenance
GeoLynx Server Dispatch Mapping System (per license price for up to 36 licenses; (perpetual licensing)) Annual Software Support and Maintenance
GeoLynx Server Dispatch Mapping System (per license price for up to 37 licenses; (perpetual licensing)) Annual Software Support and Maintenance
GeoLynx Server Dispatch Mapping System (per license price for up to 38 licenses; (perpetual licensing)) Annual Software Support and Maintenance
GeoLynx Server Dispatch Mapping System (per license price for up to 39 licenses; (perpetual licensing)) Annual Software Support and Maintenance
GeoLynx Server Dispatch Mapping System (per license price for up to 40 licenses;(perpetual licensing)) Annual Software Support and Maintenance
GeoLynx Server Dispatch Mapping System (per license price for up to 41 licenses; (perpetual licensing)) Annual Software Support and Maintenance
GeoLynx Server Dispatch Mapping System (per license price for up to 42 licenses; (perpetual licensing)) Annual Software Support and Maintenance
GeoLynx Server Dispatch Mapping System (per license price for up to 43 licenses; (perpetual licensing)) Annual Software Support and Maintenance
GeoLynx Server Dispatch Mapping System (per license price for up to 44 licenses; (perpetual licensing)) Annual Software Support and Maintenance
GeoLynx Server Dispatch Mapping System (per license price for up to 45 licenses; (perpetual licensing)) Annual Software Support and Maintenance
GeoLynx Server Dispatch Mapping System (per license price for up to 46 licenses; (perpetual licensing)) Annual Software Support and Maintenance
GeoLynx Server Dispatch Mapping System (per license price for up to 47 licenses; (perpetual licensing)) Annual Software Support and Maintenance
GeoLynx Server Dispatch Mapping System (per license price for up to 48 licenses; (perpetual licensing)) Annual Software Support and Maintenance
GeoLynx Server Dispatch Mapping System (per license price for up to 49 licenses; (perpetual licensing)) Annual Software Support and Maintenance
GeoLynx Server Dispatch Mapping System (per license price for up to 50 licenses; (perpetual licensing)) Annual Software Support and Maintenance
GeoLynx Server Dispatch Mapping System (per license price for up to 51+ licenses; (perpetual licensing)) Annual Software Support and Maintenance
GeoLynx Server IPAWS (up to 20 users; requires GeoLynx Server Base System; (perpetual licensing)) Annual Software Support and Maintenance
GeoLynx Server IPAWS (per user after 20; requires GeoLynx Server Base System; (perpetual licensing)) Annual Software Support and Maintenance
GeoLynx Server Stats (up to 20 users; requires GeoLynx Server Base System; (perpetual licensing)) Annual Software Support and Maintenance
GeoLynx Server Stats (per user after 20; requires GeoLynx Server Base System; (perpetual licensing)) Annual Software Support and Maintenance
GeoLynx Server AVL System Licensing (1-10 vehicles); perpetual licensing; Annual Software Support and Maintenance
GeoLynx Server AVL System Licensing 11-20 vehicles; perpetual licensing; Annual Software Support and Maintenance
GeoLynx Server AVL System Licensing 21-30 vehicles; perpetual licensing; Annual Software Support and Maintenance
GeoLynx Server AVL System Licensing 31-40 vehicles; perpetual licensing; Annual Software Support and Maintenance
GeoLynx Server AVL System Licensing 41-50 vehicles; perpetual licensing; Annual Software Support and Maintenance

FUNCTIONAL AREA III GIS Software

GeoLynx Server AVL System Licensing 51-60 vehicles; perpetual licensing; Annual Software Support and Maintenance
GeoLynx Server AVL System Licensing 61-70 vehicles; perpetual licensing; Annual Software Support and Maintenance
GeoLynx Server AVL System Licensing 71-80 vehicles; perpetual licensing; Annual Software Support and Maintenance
GeoLynx Server AVL System Licensing 81-90 vehicles; perpetual licensing; Annual Software Support and Maintenance
GeoLynx Server AVL System Licensing 91-100 vehicles; perpetual licensing; Annual Software Support and Maintenance
GeoLynx Server AVL System Licensing 101-150 vehicles; perpetual licensing; Annual Software Support and Maintenance
GeoLynx Server AVL System Licensing 151-200 vehicles; perpetual licensing; Annual Software Support and Maintenance
GeoLynx Server AVL System Licensing 201-250 vehicles; perpetual licensing; Annual Software Support and Maintenance
GeoLynx Server AVL System Licensing 251-300 vehicles; perpetual licensing; Annual Software Support and Maintenance
GeoLynx Server AVL System Licensing 301-350 vehicles; perpetual licensing; Annual Software Support and Maintenance
GeoLynx Server AVL System Licensing 351-400 vehicles; perpetual licensing; Annual Software Support and Maintenance
GeoLynx Server AVL System Licensing 401-450 vehicles; perpetual licensing; Annual Software Support and Maintenance
GeoLynx Server AVL System Licensing 451-500 vehicles; perpetual licensing; Annual Software Support and Maintenance
GeoLynx Server AVL System Licensing 501-550 vehicles; perpetual licensing; Annual Software Support and Maintenance
GeoLynx Server AVL System Licensing 551-600 vehicles; perpetual licensing; Annual Software Support and Maintenance
GeoLynx Server AVL System Licensing 601-650 vehicles; perpetual licensing; Annual Software Support and Maintenance
GeoLynx Server AVL System Licensing 651-700 vehicles; perpetual licensing; Annual Software Support and Maintenance
GeoLynx Server AVL System Licensing 701-750 vehicles; perpetual licensing; Annual Software Support and Maintenance
GeoLynx Server AVL System Licensing 751-800 vehicles; perpetual licensing; Annual Software Support and Maintenance
GeoLynx Server AVL System Licensing 801-850 vehicles; perpetual licensing; Annual Software Support and Maintenance
GeoLynx Server AVL System Licensing 851-900 vehicles; perpetual licensing; Annual Software Support and Maintenance
GeoLynx Server AVL System Licensing 901-950 vehicles; perpetual licensing; Annual Software Support and Maintenance
GeoLynx Server AVL System Licensing 951-1000 vehicles; perpetual licensing; Annual Software Support and Maintenance
LTS Server Per Unit (1-10 vehicles) (no charge if implementing GeoLynx Server AVL Base System + Per Unit pricing); perpetual licensing; Annual Software Support and Maintenance
LTS Server Per Unit (11-20 vehicles) (no charge if implementing GeoLynx Server AVL Base System + Per Unit pricing); perpetual licensing; Annual Software Support and Maintenance
LTS Server Per Unit (21-30 vehicles) (no charge if implementing GeoLynx Server AVL Base System + Per Unit pricing); perpetual licensing; Annual Software Support and Maintenance
LTS Server Per Unit (31-40 vehicles) (no charge if implementing GeoLynx Server AVL Base System + Per Unit pricing); perpetual licensing; Annual Software Support and Maintenance

FUNCTIONAL AREA III GIS Software

LTS Server Per Unit (41-50 vehicles) (no charge if implementing GeoLynx Server AVL Base System + Per Unit pricing); perpetual licensing; Annual Software Support and Maintenance
LTS Server Per Unit (51-60 vehicles) (no charge if implementing GeoLynx Server AVL Base System + Per Unit pricing); perpetual licensing; Annual Software Support and Maintenance
LTS Server Per Unit (61-70 vehicles) (no charge if implementing GeoLynx Server AVL Base System + Per Unit pricing); perpetual licensing; Annual Software Support and Maintenance
LTS Server Per Unit (71-80 vehicles) (no charge if implementing GeoLynx Server AVL Base System + Per Unit pricing); perpetual licensing; Annual Software Support and Maintenance
LTS Server Per Unit (81-90 vehicles) (no charge if implementing GeoLynx Server AVL Base System + Per Unit pricing); perpetual licensing; Annual Software Support and Maintenance
LTS Server Per Unit (91-100 vehicles) (no charge if implementing GeoLynx Server AVL Base System + Per Unit pricing); perpetual licensing; Annual Software Support and Maintenance
LTS Server Per Unit (101-150 vehicles) (no charge if implementing GeoLynx Server AVL Base System + Per Unit pricing); perpetual licensing; Annual Software Support and Maintenance
LTS Server Per Unit (151-200 vehicles) (no charge if implementing GeoLynx Server AVL Base System + Per Unit pricing); perpetual licensing; Annual Software Support and Maintenance
LTS Server Per Unit (201-250 vehicles) (no charge if implementing GeoLynx Server AVL Base System + Per Unit pricing); perpetual licensing; Annual Software Support and Maintenance
LTS Server Per Unit (251-300 vehicles) (no charge if implementing GeoLynx Server AVL Base System + Per Unit pricing); perpetual licensing; Annual Software Support and Maintenance
LTS Server Per Unit (301-350 vehicles) (no charge if implementing GeoLynx Server AVL Base System + Per Unit pricing); perpetual licensing; Annual Software Support and Maintenance
LTS Server Per Unit (351-400 vehicles) (no charge if implementing GeoLynx Server AVL Base System + Per Unit pricing); perpetual licensing; Annual Software Support and Maintenance
LTS Server Per Unit (401-450 vehicles) (no charge if implementing GeoLynx Server AVL Base System + Per Unit pricing); perpetual licensing; Annual Software Support and Maintenance
LTS Server Per Unit (451-500 vehicles) (no charge if implementing GeoLynx Server AVL Base System + Per Unit pricing); perpetual licensing; Annual Software Support and Maintenance
LTS Server Per Unit (501-550 vehicles) (no charge if implementing GeoLynx Server AVL Base System + Per Unit pricing); perpetual licensing; Annual Software Support and Maintenance
LTS Server Per Unit (551-600 vehicles) (no charge if implementing GeoLynx Server AVL Base System + Per Unit pricing); perpetual licensing; Annual Software Support and Maintenance
LTS Server Per Unit (601-650 vehicles) (no charge if implementing GeoLynx Server AVL Base System + Per Unit pricing); perpetual licensing; Annual Software Support and Maintenance
LTS Server Per Unit (651-700 vehicles) (no charge if implementing GeoLynx Server AVL Base System + Per Unit pricing); perpetual licensing; Annual Software Support and Maintenance
LTS Server Per Unit (701-750 vehicles) (no charge if implementing GeoLynx Server AVL Base System + Per Unit pricing); perpetual licensing; Annual Software Support and Maintenance
LTS Server Per Unit (751-800 vehicles) (no charge if implementing GeoLynx Server AVL Base System + Per Unit pricing); perpetual licensing; Annual Software Support and Maintenance
LTS Server Per Unit (801-850 vehicles) (no charge if implementing GeoLynx Server AVL Base System + Per Unit pricing); perpetual licensing; Annual Software Support and Maintenance

FUNCTIONAL AREA III GIS Software

LTS Server Per Unit (851-900 vehicles) (no charge if implementing GeoLynx Server AVL Base System + Per Unit pricing); perpetual licensing; Annual Software Support and Maintenance
LTS Server Per Unit (901-950 vehicles) (no charge if implementing GeoLynx Server AVL Base System + Per Unit pricing); perpetual licensing; Annual Software Support and Maintenance
LTS Server Per Unit (951-1000 vehicles) (no charge if implementing GeoLynx Server AVL Base System + Per Unit pricing); perpetual licensing; Annual Software Support and Maintenance
Standard CAD Interface; perpetual license; Annual Software Support and Maintenance
GeoLynx Desktop (1-5 licenses; per unit price); perpetual licensing; Annual Software Support and Maintenance
GeoLynx Desktop (6-10 licenses; per unit price); perpetual licensing; Annual Software Support and Maintenance
GeoLynx Desktop (11-29 licenses; per unit price); perpetual licensing; Annual Software Support and Maintenance
GeoLynx Desktop (30-39 licenses; per unit price); perpetual licensing; Annual Software Support and Maintenance
GeoLynx Desktop (40-49 licenses; per unit price); perpetual licensing; Annual Software Support and Maintenance
GeoLynx Desktop (50+ licenses; per unit price); perpetual licensing; Annual Software Support and Maintenance
GeoLynx Desktop Admin; perpetual licensing; Annual Software Support and Maintenance
GeoLynx Sync Server; perpetual licensing; Annual Software Support and Maintenance
GeoLynx Sync Client; perpetual licensing; Annual Software Support and Maintenance
GeoLynx Sync Advanced Server Add-on; perpetual licensing; Annual Software Support and Maintenance
GeoLynx Sync Advanced Client Add-on; perpetual licensing; Annual Software Support and Maintenance
GeoLynx AVL (RF); perpetual licensing; Annual Software Support and Maintenance
GeoLynx AVL (IP) ; perpetual licensing; Annual Software Support and Maintenance
Standard IP AVL Client; perpetual licensing; Annual Software Support and Maintenance
GeoLynx Mobile MDC Edition (per unit up to 15 licenses); perpetual licensing; Annual Software Support and Maintenance
GeoLynx Mobile MDC Edition (per unit 16-30 licenses); perpetual licensing; Annual Software Support and Maintenance
GeoLynx Mobile MDC Edition (per unit 31-50 licenses); perpetual licensing; Annual Software Support and Maintenance
GeoLynx Mobile MDC Edition (per unit 51-100 licenses); perpetual licensing; Annual Software Support and Maintenance
GeoLynx Mobile MDC Edition (per unit 101-150 licenses); perpetual licensing; Annual Software Support and Maintenance
GeoLynx Mobile MDC Edition (per unit 151-200 licenses); perpetual licensing; Annual Software Support and Maintenance
GeoLynx Mobile MDC Edition (per unit 201-250 licenses); perpetual licensing; Annual Software Support and Maintenance
GeoLynx Mobile MDC Edition (per unit 251-300 licenses); perpetual licensing; Annual Software Support and Maintenance
GeoLynx Mobile MDC Edition (per unit 301-350 licenses); perpetual licensing; Annual Software Support and Maintenance
