

State-wide ASSISTIVE TELECOMMUNICATIONS EQUIPMENT (ATE) Master Contract

Telecommunications Access of Maryland,
within the Department of Information Technology,
has established a state-wide contract for the procurement of
assistive telecommunications equipment and associated peripherals.

**Do you or one of your employees need an
assistive telephone as a work
accommodation?**

State agencies, as well as Maryland county governments and
municipalities, have the opportunity to purchase equipment
such as TTYs, videophones, amplified or captioned
telephones. To view the ATE state-wide website, please visit

WWW.DOIT.MARYLAND.GOV.
