NOTICE

Request for Proposals Statewide Network Managed Services 060B6400008 December 15, 2016

Ladies/Gentlemen:

In response to an inquiry regarding protection of client confidentiality with respect to the submission of Sample Documents required by RFP Section 4.2.4.2, please take note of the following:

With respect to any Proposal information that an Offeror deems to be confidential or proprietary, the Offeror should comply with the requirements for the identification of such information. See, e.,g. RFP Sections 1.14, 4.2.2 and 4.2.2.2.

Sample documents are intended to provide insight into the Offeror's standard of quality to assist in the evaluation of its Proposal. It is at the Offeror's discretion whether to include client confidential information.

As a reminder, submitted materials are subject to the State of Maryland Public Information Act (PIA). Please see RFP Section 1.14 for further details regarding the PIA.
