**QUESTIONS & ANSWERS**

**Q:** When requesting the candidates possess “experience lead project of moderate complexity similar to the eMM project,” would the State be able to provide some analytics as to how complex this project is (i.e. number of procurements per month/year, size of project staff, dollar amount of the project/budget, etc.)?

**A:** Please see the eProcurement solicitation link provided in the RFR. Some of the information you seek can be found there.

**Q:** Will the PM be able to work remotely?

**A:** Not routinely, we want the person physically in the office but would allow occasional remote work on an as-needed basis.

**Q:** Reference Attachment 1 - RFR Resume Summary Form: In the Relevant Work Experience column, would the State prefer information be provided as a narrative, or in short and concise bullet points?

**A:** At the Offeror's discretion, they should provide enough information so that the State can evaluate the resource and determine experience and capabilities.
