Ladies/Gentlemen:

This Amendment #3 is being issued to amend and clarify certain information contained in the above referenced TORFP. All information contained herein is binding on all Offerors who respond to this TORFP. Specific parts of the TORFP have been amended. The following changes/additions are listed below, new language has been underlined and marked in bold (i.e., **word**) and language deleted has been marked with a strikethrough (i.e., ~~word~~).

1. Clarification of Section 2.1.3 (2-a) – Geographic Information Systems Analyst

The (3) years of experience may include projects currently underway as well as past experience.

2. Revision of Section 4.4.1 TO TECHNICAL PROPOSAL

A) Proposed Services

1) Executive Summary: A one-page summary describing the Offeror's understanding of the TORFP scope of work (Section 3) and proposed solution.

2) Proposed Solution: A more detailed description of the Offeror's understanding of the TORFP scope of work, including examples of solutions delivered to previous customers that match the requirements outlined in Section 3. The Proposed Solution should include a Sample Draft Work Breakdown: A matrix or table that shows a breakdown of the tasks required to complete the requirements and tasks identified in in Section ~~3.2.2~~ **3.3.2**. The matrix should reflect the chronology of tasks without assigning specific time frames or start / completion dates. It may include tasks to be performed by the State or third parties, for example, independent quality assurance tasks. Assumptions: A description of any assumptions formed by the Offeror in developing the TO Technical Proposal.
