**RESPONSE:** By way of example only, writing samples could include previous solicitations or responses thereto drafted by the offered candidate.

4) It is expected that there will be 2 emails, however since each candidate email will have unique password, we would need to send 2 mails for Technical and 1 Email for Financial, can you please confirm?

**RESPONSE:** Writing samples submitted may be included in the Technical volume as separate documents in either a Word or PDF format.

23) What is the requested length of the writing samples? Generally we have seen this request to be about 1, and up to 3 pages in length. Guidance on this is appreciated.

24) Should a contractor receive an award to support the writing and development of a DoIT RFP or RFP’s, would the contractor providing this support be OCI’d from pursing the RFP or RFP’s which they supported? If so, would the contractor be allowed to provide a mechanism to “firewall” the Tech Writers off from other corporate business allowing them to pursue the opportunity if so desired?

**RESPONSE:** See response to Question 16. “Firewall” mechanisms are not acceptable to the State at this time.

25) Attachment 5 – The NDA has language in regards to a TORFP instead of an RFR, should we alter this language to say RFR?

**RESPONSE:** See Amendment 1.

26) Attachment 5 – 3rd paragraph has a blank section for TO Contractor to fill in the type of confidential information that will be handled. Is there specific language that should be filled in this section or will inserting “regarding work being done under RFR-F50B7400028” suffice?

**RESPONSE:** See response to Question No. 25 which clarifies this section.

**RESPONSE:** Yes, EXHIBIT A, should also be completed.

Thank you,
