Notice of Cancellation
Task Order Request for Proposal (TORFP)
Redesign and Develop Agency Web Site
Solicitation No. G20B7400003 - SRA 17-04

June 2, 2017

Dear Vendors:

In accordance with Code of Maryland Regulations 21.06.02.01 and 21.06.02.02C, the SRA Procurement Unit, in consultation with the Procurement Unit at the Department of Information Technology (DoIT), is canceling the above-referenced solicitation. The collective judgement of the Evaluation Team concluded that no proposal received offered credentials in public pension web site development, either corporate or individual, and there was little of no experience in related business functions associated with a web site in any public sector setting. Therefore, no technical submission was deemed susceptible for award.

The Task Order Request for Proposal (TORFP) G20B7400003 – SRA 17-04 Redesign and Develop Agency Web Site will be re-issued at a later date, as provided by COMAR 21.06.02. We apologize for any inconvenience that this may cause. Thank you.
