QUESTIONS AND RESPONSES SERIES #4

QUESTION 6: We don't believe there is a "Project Manager (Senior)" category in CATS+, only a "Project Manager" category. Could you please clarify?

RESPONSE: The minimum requirements for the Project Manager (Senior) resource in this RFR is the same as the Project Manager listed in CATS+. However, the Project Manager in this RFR will have enormous responsibilities as described in Section 3, the Scope of Work, which will require a more experienced person.
