### **AMENDMENT #4**

#### **All Vendors for TORFP – Q00B5400004 Mainframe Equipment Maintenance**

**From:** Arthur E. Petersen, Jr., Procurement Officer  
**Subject:** Section 2.9.1 Offeror's Company Minimum Qualifications

*Only Master Contractor qualifications may be used to demonstrate meeting company minimum qualifications.*

This requirement of the above referenced TORFP will not change. Per above referenced Section 2.91.:

*The Master Contractor's proposal shall demonstrate meeting the following minimum requirements:*

- *The Master Contractor shall have at least ten (10) years of experience performing maintenance support on IBM mainframe-related equipment.*
- *The Master Contractor shall demonstrate experience providing 24 hours per day, 7 days per week, 365 days per year maintenance services on IBM mainframe-related equipment.*

This is a stand-alone requirement of the potential Offeror. The Offeror and the Offeror alone, not a team, shall meet the these requirements in order to be considered for the award of the contract.

Please contact the Procurement Officer [aepetersen@dpscs.state.md.us](mailto:aepetersen@dpscs.state.md.us) should you have questions regarding this Amendment.
