1.4 TO PROPOSAL SUBMISSIONS
The TO Procurement Officer will not accept submissions after the date and exact time stated in the Key Information Summary Sheet above. The date and time of an e-mail TORFP submission is determined by the date and time of arrival of all required files in the TO Procurement Officer’s e-mail inbox. In the case of a paper TO Proposal submission, Offerors shall take such steps necessary to ensure the delivery of the paper submission by the date and time specified in the Key Information Summary Sheet and as further described in Section 4.

Master Contractors should be aware that the State Ethics Law, Md. Code Ann., General Provisions Article, Title 5, might limit the selected Master Contractor's ability to participate in future related procurements, depending upon specific circumstances.

5.2 TO PROPOSAL EVALUATION CRITERIA

C) The capability of the proposed resources to perform the required tasks and produce the required deliverables in the TORFP Scope of Work – Section 3. Capability will be determined from each proposed individual’s resume, reference checks, and oral presentation (See Section 1.5 Oral Presentations/Interviews).

D) Whether the schedule is realistic and attainable and includes, but is not limited to, the milestones and deliverables listed within this TORFP.

E) Demonstration of how the Master Contractor plans to staff the task order at the levels set forth in Section 3.1 and also for potential future resource requests.

B) For all TO Proposals deemed technically qualified, Oral Presentations will be performed.

As described in Section 1.5, in the event that more than ten (10) responsive proposals, the TO Procurement Officer may perform a down select. The TO Procurement Officer will notify the Offeror at time of scheduling initial oral presentations whether subsequent rounds of oral presentations are required. When used, the down select procedures to be followed by the TO Procurement Officer are as follows:

a) An initial oral presentation will be performed for all proposals meeting minimum requirements.

c) The top ten (10) proposals identified by the technical ranking will be notified of additional oral presentations. All other Offerors will be notified of non-selection for this TORFP.

C) For TO Proposals deemed technically qualified, the associated TO Financial Proposal will be opened. All others will be deemed not reasonably susceptible for award and the TO Procurement Officer will notify the Master Contractor it has not been selected to perform the work.

D) Qualified TO Financial Proposal responses will be reviewed and ranked from lowest to highest price proposed.

E) The most advantageous TO Proposal considering both the technical and financial submissions shall be selected for TO award. In making this selection, technical merit has greater weight.
