SECTION 4 - TASK ORDER AWARD PROCESS

4.1 OVERVIEW

The TO Contractor will be selected from among all eligible Master Contractors within the appropriate Functional Area responding to the CATS+ TORFP. In making the TO Agreement award determination, MSDE will consider all information submitted in accordance with Section 3.

4.2 TO PROPOSAL EVALUATION CRITERIA

- A) The capability of the proposed resources to perform the required tasks and produce the required deliverables in the TORFP Scope of Work – Section 2. Capability will be determined from each proposed individual’s resume, reference checks, and oral presentation (See Section 1.5 Oral Presentations/Interviews).
- B) The Master Contractor’s overall understanding of the TORFP Scope of Work – Section 2. Level of understanding will be determined by the quality and accuracy of the technical proposal in adherence to Section 3.4.

4.3 SELECTION PROCEDURES

- A) TO Proposals will be assessed throughout the evaluation process for compliance with the minimum qualifications listed in Section 2 of this TORFP, and quality of responses to Section 3.4.1 TO Technical Proposal.
- B) Interviews will be performed for proposed personnel from all TO Proposals deemed technically qualified. As described in Section 1.5, in the event that more than 10 responsive proposals, the Procurement Officer may perform a down select. The Procurement Officer will notify the Offeror at time of scheduling initial interviews whether subsequent rounds of interviews are required. When used, the down select procedures to be followed by the Procurement Officer are as follows:
 - a) An initial interview will be performed for all proposed personnel meeting minimum requirements.
 - b) A technical ranking will be performed for all proposed personnel based on initial interview. Proposed personnel will be ranked from highest to lowest for technical merit based on the quality of the proposals submitted and interview results.
 - c) If the evaluation committee determines the Interviewee is unable to correctly respond to the technical questions, the vendor will be determined non-susceptible for award and financials will not be considered.
 - d) The top five (5) personnel by technical ranking will be notified of additional interviews. All other personnel will be notified of non-selection for this TORFP.

- C) For TO Proposals deemed technically qualified, the associated TO Financial Proposal will be opened. All others will be deemed not reasonably susceptible for award and the TO Procurement Officer will notify the Master Contractor it has not been selected to perform the work.
- D) Qualified TO Financial Proposal responses will be reviewed and ranked from lowest to highest price proposed.
- E) The most advantageous TO Proposal considering both the technical and financial submissions shall be selected for TO award. In making this selection, technical merit has greater weight.
- F) All Master Contractors submitting a TO Proposal shall receive written notice from the TO Procurement Officer identifying the awardee.

4.4 COMMENCEMENT OF WORK UNDER A TO AGREEMENT
