Section 3 – Scope of Work

Agency / Project Background

The Department of Information Technology (DoIT), Web Systems operates a web shared platform using SharePoint 2010 and WordPress. The platform hosts 70 agency sites and news blogs, and 150 agency content managers including the Department of Budget and Management, the Governor’s Office and coordinating offices, Maryland Emergency Management Administration, the Department of Natural Resources and the Department of Agriculture.

The Senior Network Engineer will support the network managed services including maintenance and configuration of site and security monitoring, firewalls, and remote backups. The Senior Network Engineer must be available during normal business hours (Monday – Friday, 9am – 5pm) with some work during non-business hours in support of weekly change management schedule.

Job Description/s

Labor Category/s (From Section 1 Above)	Duties / Responsibilities
Application Developer, Advanced Technology (Senior)	<p>The Senior Application Developer will be a member of the software maintenance and operations team supporting DoIT Web Systems shared platform. Duties include, but are not limited to:</p> <ol style="list-style-type: none"> 1. Daily, weekly and monthly maintenance tasks in support of SharePoint Server and WordPress servers including scheduled jobs management, log monitoring and analysis, database administration tasks, Internet Information Services (IIS) administration, and implementation of upgrades and patches. 2. Development, testing and implementation of custom web components using Microsoft .NET Framework 3.0+, PHP, XML, JavaScript, JQuery/JSON, SQL Server, MySQL and integrated third party components. <p>Collaborate with Web Systems contractors and staff for implementation of change requests in accordance with change management schedule.</p>

Minimum Qualifications

For minimum qualifications, see the labor category description in the CATS+ RFP for the subject RFR labor category. In addition, qualified candidates must meet the minimum qualifications specified below. **Candidates that do not meet minimum qualifications will be deemed not reasonably susceptible for award and will not progress to full evaluation.**

Labor Category/s (From Section 1 Above)	Minimum Qualifications

	<p>programming of SQL Server or MySQL.</p> <p>c. At least two years of experience in installing, troubleshooting and maintaining WordPress plugins and themes.</p> <p>d. At least five years of experience in site collection administration, content deployment and scheduled tasks, and installation and configuration of third party components in SharePoint Server 2007 or 2010.</p> <p>e. At least two years developing custom web parts, XSLT, and workflows and for SharePoint server.</p> <p>f. At least three years of experience providing 24x7x365 support of multi-site web platform including applying server updates and patches, database maintenance, troubleshooting and analysis of server logs.</p> <p>g. At least three years of experience in developing solutions integrating third party APIs or web services.</p> <p>h. Microsoft Certification in SharePoint Server 2007 or 2010</p>
--	---

Section 4 - Required Submissions

NOTE:

1. Master Contractors may propose only one candidate for the position requested.
2. Master Contractors electing not to propose in response to the RFR must submit a “Master Contractor Feedback Form” via the “Master Contractor Login” on the CATS+ web site.
3. Master Contractors proposing in response to the RFR must submit the documents below as separate files contained in two separate emails as follows:

Email 1 of 2 with “Technical”: Master Contractor Name, RFR number F50B5400041, & candidate name in the subject line

1. Resume for each labor category described in the RFR (Attachment 1)
2. Three (3) current references that can be contacted for performance verification of the submitted consultant’s work experience and skills. Telephone number and email address of reference is needed.
3. Proof of Microsoft Certification in SharePoint Server 2007 or 2010.

Email 2 of 2 with “Financial”: Master Contractor Name, RFR number F50B5400041, & candidate name in the subject line

1. Price Proposal (Attachment 2)
2. Conflict of Interest Affidavit (Attachment G in the CATS+ RFP)
3. Living Wage Affidavit (Attachment I in the CATS+ RFP)

List any other required documents to be submitted by Master Contractors, for example, copies of professional certifications, school / training transcripts, company references, etc.

1. Resume showing evidence of all skills listed in Section 3, Scope of Work, Completed in Attachment 1
2. Three (3) current references as listed in Technical response email.
3. Proof of Microsoft Certification in SharePoint Server 2007 or 2010.

Section 5 – Evaluation Criteria

Candidates meeting the Minimum Qualifications listed in Section 3 above will be evaluated for overall best value, as follows:
(Provide a list of evaluation criteria in descending order of importance)

1. Specific work experience and relevant technical expertise as indicated in Attachment 1 and in the interview
2. Price
3. References
