

The Weekly Cybersecurity Bulletin

Newsletter by Chazz Kibler

Hello Maryland,

Happy National Cybersecurity Awareness Month. We hope you are staying cyber-safe. For this week, we will focus on up-to-date software.

Meet Maryland State CISO Greg Rogers

Greg Rogers, Maryland's chief information security officer, discusses his cybersecurity goals for the state and shares cybersecurity tips.

Cybersecurity Tip of the Week

STAY UPDATED, STAY PROTECTED!

Keep software updated to ensure your devices are secure.

Set it and forget it! With automatic software updates, you don't have to worry about manually checking for updates. Embrace the convenience and let your devices take care of themselves. Stay on top of security and enjoy peace of mind.
