**Amendment #4 to
Request for Proposals (RFP)
High Capacity Circuit Services (HCCS)
Project No. 050R3800141**

Ladies/Gentlemen:

This Amendment is being issued to add or change certain information contained in the above named RFP. All information contained herein is binding on all Offerors who respond to this RFP. Specific parts of the RFP have been amended and the RFP additions and changes are detailed below in a line-in/line-out format to highlight the changed information:

1. Change the Key Information Summary Sheet, Closing Date and Time, to read, “June 25, 2003 at 2:00 PM (Local Time)”
2. Change the dates in Section 1.11, Proposals Due (Closing) Date in both paragraphs from “June 18, 2003” to “June 25, 2003.”
3. Change Section 2.3.20.3 as follows: “The State of Maryland...evidencing this coverage, and Certificates of insurance...” This change has the net effect of requiring the State of Maryland to be named as an additional insured on the certificate of insurance but not specifically named or listed on the associated policy itself.
4. Add to Section 2.3.8, bullet for “Termination Date,” the following: “Termination date means the date the service is disconnected.”

The State is coordinating responses to additional vendor questions and considering limits on liability. Accordingly, the State is allowing additional time for proposal submission to June 25, 2003 to permit Offerors to consider the new information anticipated to be released early next week as “Q&A #4” and “Amendment #5.”

Date Issued: June 12, 2003
