Amendment #6 to Request for Proposals (RFP)  
Commercial-Off-The-Shelf Software  
Project No. 050B7800012  
March 26, 2007

This Amendment is being issued to amend and clarify certain information contained in the above named RFP. All information contained herein is binding on all Offerors who respond to this RFP. Specific parts of the RFP have been amended.

This Amendment is to replace the current Attachment G-1A MBE Utilization and Fair Solicitation Affidavit (printed pages 53 and 54 of 63 of the above-referenced RFP) with a new Attachment G-1A Offeror Acknowledgement of PORFP MBE Participation Commitment. Please discard old Attachment G-1A and use this new Attachment G-1A in its place.

**This attachment must be completed and submitted with Offeror's technical proposal if the Offeror proposes to Functional Area II-Installation and Training. Failure of an Offeror to submit this form with its response to the RFP will result in a determination by the Procurement Officer that the Offeror's response to the RFP is not reasonably susceptible of being selected for award.**

Please see continued page for Attachment G-1A Offeror Acknowledgement of PORFP MBE Participation Commitment.

Remember, all responses are due by April 6, 2007 at 2:00pm Local Time.

Date of Issue: March 26, 2007
