Addendum #1
October 8, 2003**

Ladies/Gentlemen:

This Addendum is being issued to amend and clarify certain information contained in the above named RFP. All information contained herein is binding on all offerors who respond to this RFP. Specific parts of the RFP have been amended. The following changes/additions are listed below; new language has been double underlined and marked in bold (i.e., **word**) and language deleted has been marked with a strikethrough (i.e., ~~word~~).

1. Revise, Section 1.3 Contract Type:

The contract(s) that results from this RFP shall be an Indefinite Quantity Contract with Fixed Unit Prices, ~~with CPI price adjustments~~, in accordance with COMAR 21.06.03.02 and 21.06.03.06.

2. Revise, Section 3.4.2.3 Offeror Technical Response to RFP Requirements:

In order to promptly evaluate the proposed equipment, service and coverage, the Offeror will provide no later than the proposal submission due date, ~~one~~ **two** programmed and activated devices. The equipment must be representative of the model being offered. The devices need not be new but must be programmed identically to those to be provided under any resulting contract. An Evaluation Committee will travel the State and compare coverage, clarity of signal and features of the equipment. The Offeror will assess no charges for the testing period. The State estimates the period of evaluation for this equipment to be thirty (30) days. Equipment will be returned to the Offeror at the end of the testing period.

REMINDER: PROPOSALS ARE DUE NOVEMBER 6, 2003 AT 2:00 PM (LOCAL TIME).

Date Issued: October 8, 2003
